Subject: CDMRP is open! Information about submission deadlines

ATTENTION: The current government shutdown is not impacting the CDMRP eReceipt System nor the Grants.gov application receipt portal. All CDMRP pre-application and application submission deadlines remain as specified in the Program Announcements. The CDMRP Helpdesk (help@cdmrp.org) and the Grants.gov Contact Center (support@grants.gov) remain open.

Any applicants whose ability to submit their pre-applications or applications is directly impacted by the shutdown should notify the CDMRP Helpdesk immediately.
